

Donation Utilization Policy

Nutrition Relief & Development Centre (NRDC)

1. Commitment to Transparency

NRDC is committed to ensuring that every donation is used effectively and transparently to fulfill our mission.

2. Allocation of Funds

- **Direct Program Support:** At least 90% of all public donations are allocated directly to our nutrition, health, and food security programs.
- **Operational Costs:** No more than 10% of donations are used for administrative and fundraising expenses.

3. Monitoring and Evaluation

We conduct regular internal and external audits to monitor project implementation and ensure funds are reaching the intended beneficiaries.

4. Reporting

Impact reports and financial summaries are published annually to keep our donors informed about how their contributions are making a difference.
